Anya summarized the feedback from Chapter Leaders on which traditions to keep, change, or retire which was provided before the meeting. Generally, Chapter Leaders voted to keep or modify all School Traditions.

Chapter Leaders reviewed PSA traditions and several were retired including Garden Bed Cleanups, Family Dance, and the Skate Party. New traditions were suggested including hosting a Fun Fair, Master Class, and Community Pop-ups. Chapter Leaders reviewed the final list of PSA Traditions, then voted electronically to rank each tradition by importance from most to least. The results were as follows:
