LETTER FROM THE PRINCIPAL

DEAR FAMILIES OF TWO RIVERS YOUNG ELEMENTARY SCHOOL,

Summer greetings from your leadership team! We hope you are having a joyful and restorative summer! The beginning of the school year is right around the corner, and it is with great anticipation that we welcome you back to *in-person* school with us! Whether you are returning or this is your first year at Two Rivers Young Elementary School, we are excited to begin the 2021-2022 school year and partner with you to reach our mission: *To nurture a diverse group of students to become lifelong, active participants in their own education, develop a sense of self and community, and become responsible and compassionate members of society.* Our mission guides the work that we do with your children and our families every single day.

In many ways, Two Rivers' approach, with our commitment to EL Education Core Practices, is already set up to help our students recover and accelerate their learning this year --- through crew, goal-setting, standard-based grading, expeditions, and a deep and enriching curriculum. To recover successfully, we will not depart from our model, but double down and further invest in it. That is what you will see in our plan: A safe and welcoming return where every child is seen and known; a focus on strong academic content; additional staff dedicated to students' social and emotional skill development, and increasing capacity for specials. We are also excited to start the year by connecting with families, rebuilding in-person school culture, and supporting specialized instruction and services for students with IEPs. You can find a high-level plan for School Year 2021-22 at [this link](#).

We are very excited to introduce the school leadership team for the 21-22 school year. There are a few new roles and faces on the leadership team this year. We are each tremendously excited to serve students, teachers, and families to reach our goals for reopening!

Principal

Chelsie Jones is launching into her fourth year as the principal of Young Elementary School. Having been a member of the Two Rivers Community for 13 years, Chelsie brings a deep commitment to ensuring academic quality, guiding teachers' professional development, and nurturing a culture of lifelong learning and relentlessly high expectations among students, staff, and families. Chelsie strives to ensure the Two Rivers mission is possible for every student through a commitment to engaging with and addressing issues of inequity and inspiring our community around a clear, consistent, results-oriented vision for teaching and learning.

Assistant Principal of Culture

Alison Cross will be stepping into the role of Assistant Principal of School Culture. Alison will hone in on her deep passion for equity while working closely with students, teachers, and families to drive a school-wide vision for a positive, values-driven culture. While this is Alison's first year in this role, she is not new to Two Rivers, as she taught an amazing group of 4th graders last school year. Alison has been in education for 7 years serving as a teacher, grade level lead, instructional coach, and Director of Curriculum and Instruction. She is excited to be a part of the Two River's community in this new role and cannot wait to work with every family in partnership.

Assistant Principal of Instruction

Megan DeRitter will be stepping into the role of Assistant Principal of Instruction. She will be working closely with students, teachers, and families to foster a learning environment that is engaging and effective for all students. While this is Megan's first year in this role, she is not new to Two Rivers as she has closely worked with teachers and leaders for the past four years through our partnership with EL Education. Megan has been in education for 12 years serving as a teacher, instructional coach, reading specialist, and school designer for EL Education. She is excited to be a part of the Two River's community in this new role and cannot wait to partner with each one of you!

Campus Director of Special Education

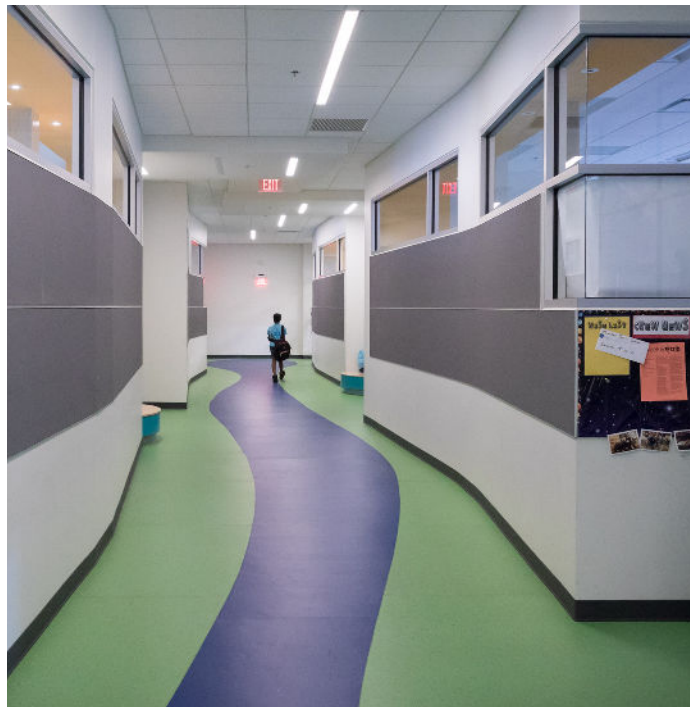

Kristin Spivey will be assuming the role of Campus Director of Special Education. Kristin will be partnering with the school leadership team, teachers, and families to strengthen equity and access for students with diverse learning needs. This will be Kristin's first year in this role. Last year she leveraged her knowledge of grade-level standards, expertise in learning and literacy, and collaborative approach to provide targeted services in her role as the Speech-Language Pathologist (SLP) for upper elementary and middle school students at the Young Campuses. For the last 15 years, Kristin has supported students attending urban school districts as a SLP, Lead SLP, Special Education Coordinator, Intervention Consultant, and Leadership Coach. She also has 5 years of experience as a clinical supervisor at the University of the District of Columbia providing clinical training and service learning opportunities for graduate students in the SLP program. Kristin is a native Washingtonian who continues to reside in her childhood neighborhood. She is excited about working with teachers and families to champion stellar outcomes for your students!

Administrative Assistant

Re'Jeanne Johnson will be launching into her first school year as the Administrative Assistant at Young Elementary School. Re'Jeanne has been a part of the Two Rivers Community for 6 years, serving as an Assistant Teacher. In her new role, Re'Jeanne will work with Principal Chelsie to support Young's goal of ensuring Two River's mission is possible for all students. Re'Jeanne is looking forward to expanding her connection with students and families this year.

Our first opportunities to connect as a school family will be at the **Beginning of the Year Potlucks and Back to School Conferences**. This year, we will resume in-person **Beginning of the Year Potlucks and Family Conferences**, but in smaller grade-level groups over several days. We will have more information about the dates, times, and procedures for our welcoming activities! **Thursday, August 26th @ 6:00 PM** we will have our first Family Meeting via Zoom. Please be on the lookout for a school newsletter via ParentSquare with more details!

As always, our doors are open for conversations and feedback. We can be reached at 202-546-4477 or by email at the addresses below. We look forward to working with you to maintain a safe and joyful learning environment where all students are growing as critical thinkers, problem-solvers, and contributors to a better world.

Sincerely,
Two Rivers Young Elementary Leadership Team

FORMS

Uniform Purchases

All Two Rivers students are required to wear a uniform shirt during in-person learning. Uniforms are available for online purchase and on-site pick-up by visiting [this link](#).

National School Lunch Program

Breakfast at Two Rivers is free for all students and Two Rivers participates in the National School Lunch Program, which includes free and low cost options for lunch. We ask that ALL families interested in having their child receive meals through school complete the [Free and Reduced Price Meal Application Form](#) to sign up AND additionally complete this [Meal Preference Form](#) regarding allergies and meal program selection. For families who previously have paid for meals and have a credit in their account, please stay tuned for more information on how that will impact payment for the current school year.

Immunizations and Medical Records

Don't Delay, Schedule Today! In order to prevent the spread of infectious diseases, it is vital that all students are fully immunized before returning to in-person learning. [No Shots, No School](#) is being enforced by the Department of Health (DOH), which means that students who do not have required immunization records submitted to the school will NOT be admitted to the building to attend school. All students must have an up-to-date immunization certification on file to attend in-person learning. Please note, proof of appointment will no longer be accepted.

Additional information concerning immunization requirements for the 2021–2022 school year is below.

- [School Immunization Guide](#)
- [District of Columbia Immunization Policy](#)
- [DC Pediatric Immunization Locations](#)

Students additionally need to have their required health certificate and dental records up to date - students who have a missing record have been notified. If you have any questions, please contact Melanie Jacobs at medical@tworiverspcs.org.

OPTIONAL FORMS

Remote Learning Certification

Medically exempted students only.

The District of Columbia is currently requiring all students to learn in-person this school year unless they are medically unable to do so. The District has provided for a "medical exemption" to allow for remote learning that can be submitted for each semester of school. Accordingly, at this time Two Rivers will only offer remote learning for students who have a medical need to learn remotely due to the continued impact of the COVID-19 pandemic.

The Office of the State Superintendent for Education (OSSE) has defined medical need to mean: "A student's physical or mental health condition requires the student to participate in distance learning due to coronavirus (COVID-19). This medical certification is required for any student registering for distance learning for the 2021 22 school year due to COVID-19."

Families of a students who is medically exempted from the in-person learning requirement must complete two steps:

- Complete [this brief form](#) by WEDNESDAY, AUGUST 11TH.
- Submit to Two Rivers a [COVID-19 MEDICAL CONSENT & CERTIFICATION FOR DISTANCE LEARNING form](#) by TUESDAY, AUGUST 24TH.

Both of the above steps are critical to Two Rivers' ability to qualify and serve your child in a remote learning posture for the first semester of this year. If you plan to seek an exemption for multiple children, please complete the form for each child separately. You can send any questions to medical@tworiverspcs.org

Permission to Administer Medication

If your child needs to take medication during the school day, please use [this form](#) to detail your student's medication and/or medical procedure plan to be administered at school and return it to the the school nurse or medical@tworiverspcs.org. The School Nurse will contact you to arrange medication/medical supply drop-off. For multiple needs, complete multiple sheets.

Parental Medicaid Consent Form

Special education students only.

If your child receives special education services please review and complete a [Parental Medicaid Consent Form](#) to ensure that Two Rivers can receive appropriate federal reimbursements for certain health related services provided pursuant to your child's IEP. Examples of health related services for which Two Rivers may be reimbursed include the following:

- Audiology Services/Assessment
- Behavioral Support Services
- Nutrition
- Occupational Therapy/Assessment
- Speech-Language Pathology Services/Assessment
- Orientation and Mobility Assessment
- Physical Therapy Services Assessment
- Psychological Evaluation
- Skilled Nursing Services
- Special Education Transportation Services

IMPORTANT READING

Two Rivers' Recovery Framework

In June 2021, we released a framework for recovery that centers on “4 R’s”: Re-Entry, Re-Engage, Re-Empower, and Re-Challenge. Please read the updated framework [here](#).

A Crew Approach to Health and Safety

Based on changes in COVID-19 guidance from the District, we have modified some of our policies from June. Please read the updated policies [here](#).

PARENT ENGAGEMENT

GREETINGS TWO RIVERS FAMILIES,

My name is Fatima Graham and I am incredibly excited to return to Two Rivers this year in a new role as Student and Family Empowerment Coordinator! I have worked with the Two Rivers community for a total of five years, including three years as the Dean of Students and Families at Two Rivers Young. I truly enjoyed working closely with Two Rivers' students and families, who made my time as a dean deeply fulfilling.

This year Two Rivers is excited to introduce my new network role of Student and Family Empowerment Coordinator as a way to support and empower families at Two Rivers, partner with school-based leadership to support student success, and connect families with internal and external resources for extended support.

As the year begins, I will be supporting work that started over summer to re-envision the Two Rivers Parent and Staff Association (PSA) with PSA leaders and parents who are helping us to strengthen and focus the role of the PSA in building community and connecting families with our schools. In the meantime, our parent leaders are jumping in to help support a successful start to the year at each of our schools. You'll be hearing more about opportunities to be a room parent and participate in the PSA soon, and our parent leaders are currently connecting with school leaders on some back-to-school family traditions that are hallmarks at Two Rivers!

I am truly excited to take my knowledge and experience as a dean, commitment to the Two Rivers mission, and passion for empowering our community, to steer the work in this new role.

As we charge forward during these uncertain times, I am committed to coming alongside you in support and partnership this upcoming school year!

Yours in service,
Ms. Fatima
