

TWO RIVERS PUBLIC CHARTER SCHOOL

April 2025 - June 2025

Dear Friend,

Last year, we launched Fantastic Voyage, a spring fundraiser and community-building collection of themed parties culminating in a spectacular online auction. (The name Fantastic Voyage is inspired by the 1980 R&B hit by the band Lakeside.)

The voyages were a smash - some sold out in days and in total, we raised \$50,000! Fantastic Voyage 2025 promises to be even more exciting as we raise funds for our renowned arts program and our vibrant, growing (and dominating!) sports program.

We ask that you join us as a sponsor. Because of the generosity of local business owners, neighbors, artists, and families, we are able to infuse arts and sports into our students' experience. This investment yields dividends. Here are some of our accomplishments:

- Two Rivers Sharks recently won championships in soccer, basketball, flag football, and volleyball
- Two Rivers Middle School held its first annual film festival competition in the fall
- Middle School will perform its 15th musical, *Moana, Jr.*, in May
- The Two Rivers Go-Go Band, Tidal Wave, performed at several educator conferences
- 3rd to 5th graders will perform in the very popular Two Rivers tradition, the Latin Dance Competition

At Two Rivers, each day we live out our mission of nurturing a diverse group of students to become lifelong, active participants in their own education, develop a sense of self and community, and become responsible and compassionate members of society. Throughout our 20 years, we have expanded access to drama, dance, and visual arts in addition to volleyball, basketball, cheer, and flag football.

Please sponsor Fantastic Voyage at a level that speaks to your heart. We can't wait to celebrate with you!

With gratitude,

Khizer Husain

Back by popular demand, Fantastic Voyage enters Year Two. Again, we hope to unleash the crew-building creativity of our community to host several "voyages" (aka parties) from April to June 2025 in what we call the Fantastic Voyage.

What's new this year? This spring fundraiser will support our arts program and vibrant and growing sports program.

We estimate there will be 10 voyages catering to 150 people. The Executive Director and/or the Senior Director of External Relations will be present at each voyage. Here's a recap of our voyages from last year:
