February

- ☐ Update your contact information to ensure we have the most accurate details.
- ☐ Complete your **Intent to Return Form** shared via The TRIB.

March

- ☐ Attend one of our **virtual re-enrollment sessions**, where we will provide a detailed overview of the re-enrollment process and guide you on how to become **OSSE-verified**.

April

- ☐ Take advantage of our **in-person enrollment opportunities**, where our team will be available to provide hands-on support and assistance with the enrollment process.

More details on virtual and in-person sessions will be shared soon.
